DAIRY SCALES

Hanson dairy scales are de-
signed for farmers to check
milk yield of each cow.
Saves feed by eliminating
non-producers. Scales are
graduated by tenths of a
pound to simplify calcula-
tions. Also provided with
extra adjustable indicator so
that weight of pail can be
deducted, thus indicating
net weight of milk in pail.
Finish durable enamel. Dials
are white with large easy to
read figures and graduations
in black.
